

The background image shows the interior of a brewery or bar. On the left, there's a red neon sign shaped like a beer mug. Next to it is another red neon sign that says "BEER ME". The room has dark walls, some potted plants, and a warm, orange-toned lamp on the right side. The overall atmosphere is cozy and industrial.

THE TANK ROOM

Our little Gem of a function room is perfect for the more intimate parties and events, but can also be hired together with The Punt Room. It offers views into our in-house micro-brewery and includes retro décor which can suit any event.

- AV equipment
- Large screen
- Retro decor
- Direct phone to the bar

30 seated / 40 standing

THE BREWERY

Right in the middle of our pub sits a working microbrewery. Vanesa runs it. She's our Head Brewer, and she doesn't mess around. Want to see how it's made? Book a brewery tour or experience day. Vanesa will take you behind the scenes. You'll sip, swirl, sniff (yeah, sniff) - and actually understand what makes beer worth drinking.

TOUR

Vanesa will guide you through how the brewery operates, introducing you to the equipment and processes behind the scenes. She'll walk you through the key ingredients that make the beer, before finishing with a guided tasting session.

- £25 per person
- Maximum 8 people
- Availability 7 days per week
- Guided beer tasting to finish

EXPERIENCE DAY

A full brew day where you'll learn everything about making beer - from recipe design and beer styles to ingredients, brewing techniques, and the science behind it. The experience also includes lunch, a guided beer tasting, and a voucher to return and try the beer you've brewed.

- £95 per person
- Maximum 6 people
- Availability subject to brewing schedule
- Running 9am until 3pm
- Light refreshments on arrival
- Unlimited tea & coffee to fuel the day
- Guided beer tasting to finish
- An invite back, when your beer is finished to try it
